Dear Friends of Coppenrath & Spiegelburg's Christmas World,

The most special time of the year is fast approaching. A time of wonder, reflection and joy. It not only brings the glow of lights and festive decorations, but also the opportunity to end the year with special moments of devotion and reflection. We still have to be patient a little longer before the magic of Christmas returns. But in the meantime, we would love to enchant your home with our new collection, touch your heart and make Christmas even more festive and beautiful for your customers. Whether as a gift for a special person or as a loving addition to your own home, each product has been designed and illustrated with great attention to detail to give the Christmas season its very own magic. That's what Coppenrath & Spiegelburg is all about. Like a small manufactory, we strive to create special highlights season after season, and hope to be able to make a significant contribution to the magic of Christmas again this year.

Wishing you a peaceful Christmas season

*Best
or
